

## *Our Mission,*

The Druze Association of Edmonton was formally incorporated in 1978 as a non-profit organization to promote and preserve the Druze identity, culture and faith.

The Association's mission is to work with the community, to help strengthen it and help make one big family out of the many Druze families in Alberta by bringing them closer together. It promotes and encourages the youth participation to learn the Tawheed culture and faith.

# The Druze Association

of Edmonton

The Association has been working to:

- Enhance fellowship among Canadian Druze through cultural and social gatherings.
- Initiate volunteer programs to help the new comers adapt quicker, help Canadian born Druze learn about their faith and help seniors cope with cultural differences.
- Organize informational awareness sessions dealing with society, culture, health, safety, environment etc.
- Host guest speakers of cultural and religious studies, with specialization in the Druze faith to speak about the teachings of the faith.

In Edmonton, our community is growing, it is very important for us to plan the way we grow and the way we handle that growth.

Happiness keeps you Sweet,  
Sorrow keeps you Human,

Trials keep you Strong,  
Failure keeps you humble

Success keeps you glowing,  
But only **Faith & Attitude** keeps you going...
